Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicant discussed differences between the length of treatment in the reference versus the length of treatment in the instant invention. Applicant pointed out that the art treatment was only one week while the instant treatment was 3 to 6 weeks, which allowed the results seen in the instant specification. Applicant is considering amendment of the time period in the claims to recite --3 to 6-- weeks. Examiner agreed that there was support for this language in the claims and Applicant agreed to point out this support when the amendment is submitted. The Examiner agreed that these showing would address at least some of the outstanding issues.

1.  It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph above has been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP Section 713.04). If a response to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW.

2.  Since the Examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not relieved from providing a separate record of the interview unless box 1 above is also checked.

Examiner Note: You must sign and stamp this form unless it is an attachment to a signed Office action.
